

Initiating the Heart

Your vision will become clear only when you can look into your own heart... who looks outside dreams, who looks inside awakes."

– Carl Jung

This profound retreat initiates the opening of the Heart Center. Deeply transformational and healing, participants awaken unconditional love, compassion and access to the wisdom and resources of the personal and collective unconscious. Most experience this as spiritually enlightening and uplifting.

During the luxury of 12 days of retreat we tap into soul work through the exploration of:

- ❖ **Dreams and Symbols**
- ❖ **Archetype and Myth**
- ❖ **Body Energy Fields**
- ❖ **Meditation**
- ❖ **Personal and Collective Ritual**
- ❖ **Poetry, Dance and Music, and Art**

Our Heart Conference takes place in an inspirational setting when you can rest, un-layer, and open to the experience of wonder and renewal. This is the key foundational piece for all deeper conference work with Pathways Institute and our Mystery School.
