

The Personal Mastery Intensive

Living and Leading Authentically

"People say that what we're all seeking is a meaning for life. I don't think that's what we're really seeking. I think what we're seeking is an experience of being alive, so that our life experiences on the purely physical plane will have resonances within our innermost being and reality, so that we actually feel the rapture of being alive."

-- Joseph Campbell

Pathways Institute invites you to live your life from a new perspective. Experience a weekend that will enable you to create the impact you wish to have in your life.

This three and a half day workshop will introduce you to new concepts that will help you:

- ❖ Align heart, mind, and soul for creating a new life vision.
- ❖ Unlock the mindsets and behaviors that interfere with your ability to achieve your dreams.
- ❖ Become skilled at living creatively and intentionally instead of reactively.
- ❖ Become the architect of your own authentic life.
- ❖ Using simple tools with like-minded individuals, you will learn, practice, and share life skills for making long-term changes one step at a time. Through this intensive weekend you will:
- ❖ Align your personal purpose with a larger world vision.
- ❖ Identify your innate strengths, abilities, and unique gifts.
- ❖ Develop emotional and spiritual intelligence for every area of your life.
- ❖ Gain skills needed to achieve your goals.
