

WELCOME TO THE HEART CONFERENCE 2024

Dear Participant,

I am delighted you are going to ***Initiating the Heart***, scheduled for October 7-19, 2024. This conference is held at Maya Tulum Resort in Tulum, Mexico.

The Heart Conference is designed to explore the pathways that teach soul-work. It is a time of deep retreat and personal work in a truly inspirational and healing setting. You will be working with many tools to assist you in releasing ordinary patterns and conditioning as well as with movement into an experience of expanded states of awareness. The healing energies of the heart center are the central focus of the spiritual studies and retreat.

To maximize this initiation, we ask that you handle all of your personal and business affairs prior to your arrival as internet and phone access will not be available to you. I suggest that you let your family and business associates know that messages will not be put through to you with the exception of life and death emergencies. You will find an emergency contact phone number for the retreat center on the ***Enrollment Confirmation page***, which you are welcome to leave with loved ones.

Please read the Enrollment Confirmation page carefully. It includes all travel information and payment information as well as other valuable information you will need to prepare. About two months before the conference begins an email group will be formed for you to coordinate travel arrangements- car rentals, airport transportation etc.

Couples: Generally we make every attempt to room you together. If you prefer to be lodging apart please indicate that to Debbie Rixon by email before September 15th, 2024.

Please bring a signed copy of the included release form to the conference or email it to Debbie Rixon by September 15th.

Please review all documents included with this welcome letter soon!

If you have workshop or preparation questions feel free to contact: Debbie Rixon at (617) 968-1080 or debbier@PathwaysInstitute.com

I look forward to the journey with you.

With love,

Carole Kammen
